# QHSE POLICY

**“Safe, Strong, Fast and made to Last”**

We at Diamond Tyres Limited are committed:

- To deliver safe, reliable and superior quality products to meet customer expectations, legal & other requirements.
- To adopt sustainable practices in terms to minimize environmental impact and improve environmental performance.
- To improve all business aspects by assuring the quality, health & safety of our people and environment on continual bases.

The policy is consistent with corporate policies, available to the public and all interested parties.
